

In the last few months, the Police has noted an increase of burglaries in cellars and communal garages.

WATCH OUT!

- Do not open the main entrance door of the building without checking it;
- Always lock the doors of your private cellar or garage;
- Make sure you do not leave any highly valuable objects in your cellar or garage;
- Secure your bicycle separately;
- If you notice strangers who do not live in the building, do not hesitate to ask them about their intentions;
- Suspicious observations should be reported immediately to the Police.
